Nassau Paradise Island Itinerary

Day 1

Morning

Start your luxury getaway off right by splurging for some extra leg room on your flight. We can't think of anything better than indulging with a flight upgrade so you arrive in style.

Once you've arrived and checked into your luxury hotel, it's time to unwind and let the vacation begin. That's right—it's time to be your most fabulous self at one of the incredible pools in The Bahamas.

Some of our favorite—and most luxurious—pools in Nassau Paradise Island are:

- The beachfront infinity pool at The Ocean Club, A Four Seasons Resort, Bahamas
- The chic 9,000 square-foot pool at The Cove at Atlantis.
- The Zen-like Privilege Pool at SLS Baha Mar.
- The private swim-up poolside suites at Sandals Royal Bahamian

After some poolside pampering, it's time for a unique gourmet experience. Head to Graycliff, Nassau's first five-star restaurant, where you could spend a couple of hours or an afternoon enjoying outstanding Bahamian cuisine, fine wines, curated tastings, and even cigar and chocolate making demonstrations.

Afternoon

Now that you've felt the warm, Bahamian sun on your skin and been treated to a sampling of some of the finest Bahamian cuisine, it's time to head back to your hotel for some primping and pampering in preparation of a night out that you won't soon forget.

One of the many perks of staying in one of our impeccable luxury accommodations is the outstanding spa steps from your door. Whether you visit at Baha Mar's ESPA, The Mandara at Atlantis Paradise Island, the Ocean Club Spa at the Four Seasons, or Sandals Royal Bahamian's Red Lane Spa, you're bound to be treated like royalty and leave feeling and looking your best. Pop in for a blowout or a soothing facial to rejuvenate after your flight and to put your best face forward for your night out on the town.
